The rejection was made after talking with 1600 Biotech Specialist, Brian Stanton, especially on new matter issue. There is no 112, second paragraph issue on claims 49 and 51.		
The Examiner noted that LIE did not enter applicant's amendment filed on 3/21/2001 correctly. The examiner has added us patent NO. 6,242,233 B1 into the amendment filed on 3/21/2001 (first sentence of the specification).
